Build a Future

Building a solid future for ABC District churches, schools and other ministry entities is important. Building a solid financial future for your family is important too. Therefore, do both through the Church Extension Fund. When you invest a portion of God's blessings in CEF, you create a personal stewardship ministry, while providing loan opportunities for Lutheran Church-Canada organizations that want to build, expand or improve their current facilities. Contact CEF for the latest information on investment interest rates at 1-888-474-0063 or visit www.cef.lccabc.ca.

K.I.D.S. Into Stewardship

Providing kids a fun way to learn about discipleship, stewardship and how to invest money while helping to build God's Kingdom is what the Kids Into Discipleship & Stewardship (K.I.D.S.) savings stamp program is all about! Kids invest their funds which earn interest and are used for loans to churches, schools and other ministry facilities...all to share the good news of Jesus Christ! For more information, contact CEF at 1-888-474-0063 or visit www.cef.lccabc.ca

Help Teach Children about Savings & Stewardship - Church Extension Fund (CEF) is looking for people to serve as K.I.D.S. Coordinators.
