

Building a Solid Foundation

Investments that Build Schools

*"Unless the LORD
builds the house, its
builders labor in vain.
Unless the LORD
watches over the city,
the watchmen stand
guard in vain. In vain
you rise early and stay
up late, toiling for food
to eat— for He grants
sleep to those he loves.
Sons are a heritage
from the LORD,
children a reward from
him." Psalm 127: 1-3*

Building Together...

The funds you invest in Church Extension Fund (CEF) act much like the bricks that form a building. Alone, one brick does not make a solid foundation. However, when many bricks are stacked – each layer supporting the next – a solid foundation is built – the foundation of a Lutheran School. A place, where children can go to learn and share the Good News of Jesus, is created.

It is wonderful to hear parents talk about investing in the lives of their children, and wonderful to witness that investment in the form of a Christian education. You too can share in this joy by investing in one of the Alberta-British Columbia District's Lutheran schools that is currently undertaking a building project.

Investing a portion of your savings in a special **School 0% Interest Savings Account** will allow Lutheran Schools in the ABC District to **borrow from Church Extension at 0% interest for new projects**. Why is this so important for our schools? By helping fund a new building or renovation project at the reduced interest rate, the schools will be able to continue to focus on their educational programming and the sharing/spreading of the Gospel.

Can you help with the future? Please prayerfully consider partnering with CEF by investing in this tremendous opportunity. For more information and an application form, please contact the Church Extension Fund office.

Church Extension Fund is here to help strengthen ministry. Together, we can build a solid foundation and share the Good News of our Lord and Saviour, Jesus Christ.
